

## Reciprocal States

The CRM II – Certified Recovery Mentor II – Utilizes the IC&RC Reciprocal process through the Peer Recovery (PR) National Psychometric Exam. The reciprocal status allows an active PRC to easily transfer their credential to any state who also uses the IC&RC reciprocal process, without the need to take an additional exam. Below is a list of states who allow reciprocity via the IC&RC.

## Reciprocity Process

1. Professional contacts MHACBO for Reciprocity
2. Professional completes the application and returns it to MHACBO with the appropriate fee.
3. MHACBO verifies application and sends it to IC&RC.
4. IC&RC approves the application, notifies professional, and sends it to board in new location.
5. New board contacts professional when the process is completed.
