If your certification has lapsed, you must file for an extension (see Extension Policy below), otherwise your certification will expire. After the 120 day maximum extension period available, but before one year after your certificate has expired, you may reactivate your certification by submitting a completed recertification application and a \$50 reinstatement fee in addition to the \$100 recertification fee.

All CGRM's must complete 6 hours of Ethics continuing education as a part of their 20 hours of continuing education, in order to renew their certification. MHACBO will accept virtually all behavioral health related Ethics courses.

CGRM's must also complete an approved Oral Health Training. See below for more info.
